PERSONAL STATEMENT

An enthusiastic and detail-oriented Full-Stack Developer with proficient knowledge in both frontend and backend technologies. Seeking to contribute my technical skills, creativity, passion and expertise for problem-solving in a collaborative team environment to provide value to the employer and contribute to successful projects both today and in the future. Aiming to take on new challenges and utilize my coding and debugging skills for developing new features and enhancement of the overall user experience.

TECHNICAL SKILLS

- ✚ Frontend Development: Proficient in React, JavaScript, HTML5, CSS and NextJS, specialized in building dynamic and responsive user interfaces.
- ✚ Backend Integration: Experienced in connecting frontend applications with backend systems using technologies like PostgreSQL and Prisma.
- ✚ Version Control: Skilled in utilizing Git for efficient code versioning and collaboration, with a strong understanding of GitHub workflows.
- ✚ Software Development Tools: Visual Studio Code, Git, Postman
- ✚ Databases: PostgreSQL, MongoDB, PrismaDB
- ✚ Deployment: Netlify, Vercel
- ✚ Created multiple responsive websites for mobile and desktop devices using HTML and CSS, as well libraries such as ReactJS and NextJS.
- ✚ Translated designs from Photoshop to HTML and CSS while ensuring that the UX and UI design are maintained
- ✚ Continuous learning with passion for staying up-to-date with the latest front and backend technologies and trends.

SOFT SKILLS

Communication Skills:

- Clearly articulate technical concepts to both technical and non-technical stakeholders.
- Actively listen to team members, clients, or end-users to understand requirements and feedback

Problem-solving:

- Analyze complex problems and devise effective solutions.
- Demonstrate a proactive and creative approach to addressing challenges.

Team Collaboration:

- Work effectively within a team, understanding roles, and contributing to team goals.
- Provide constructive feedback and accept feedback from team members

Adaptability:

- Quickly adapt to new technologies, methodologies, and project requirements.
- Handle changes in project scope or priorities with a positive and flexible mindset.

Time Management:

- Efficiently manage time and prioritize tasks to meet deadlines
- Balance multiple projects and responsibilities simultaneously

Collaborative Coding:

- Practice collaborative coding through pair programming or code reviews
- Foster an environment where knowledge sharing and learning from peers are encouraged

Leadership:

- Take initiative in projects and demonstrate leadership qualities.
- Provide mentorship when needed and contribute positively to the team's growth.

Empathy:

- Understand the perspectives of end-users and stakeholders to create user-friendly solutions.
- Consider the user experience and design with empathy for the end-users

EXPERIENCE:**INTERN, SOFTWARE DEVELOPMENT****2023 - DATE****EHA CLINICS LIFECAMP-ABUJA**

- ✚ Collaborated with a cross-functional team to assist in the development and testing of new features for a customer relationship management (CRM) software.
- ✚ Conducted code reviews, identified bugs, and contributed to the resolution of issues in a timely manner.
- ✚ Gained practical experience in Agile development methodologies

**COMPUTER TEACHER KINGDOM HERITAGE
LIFECAMP - ABUJA****2021 – 2022**

- ✚ Teaching a curriculum provided by the school.
- ✚ Creating and supervising practical activities for students
- ✚ Writing and grading tests and essay.
- ✚ Engaging students in lectures and discussion.

**MATHEMATICS/COMPUTER TEACHER
LIGHT FORCE SCHOLARS INTERNATIONAL
GWARINPA - ABUJA****11/2019 – 10/2020**

- ✚ Creating lesson plans
- ✚ Preparing and delivering lectures
- ✚ Creating and supervising practical activities for students
- ✚ Evaluating student performance

**CHEMISTRY / COMPUTER TEACHER
SAMUEL MODEL COLLEGE
ADO – EKITI (NYSC)****11/2017 – 10/2018**

- ✚ Creating lesson plans
- ✚ Preparing and delivering lectures
- ✚ Creating and supervising practical activities for students
- ✚ Evaluating student performance

OTHERS

Certification: Python Programming, CompTIA A+, NextJS

Leadership and Volunteering: Served as team lead in the signing of the first-ever Youth-Led Presidential Peace Accord and Unveiling of the National Youth Symbol organized by ReadyToLeadAfrica

EDUCATION

University of Calabar, Calabar 2012 - 2016
